OBJECTIVE “TROUBLESHOOT TOMORROW”

- ◆ **PREPARE** the future of HTM
 - Increase Awareness, Elevate OUR Profession, Standardize Practices
 - Brainstorm ideas to sustain our profession & prepare the next generation
- ◆ **MAXIMIZE & EMPOWER** extremely limited resources
 - Switch gears from reactive to proactive (e.g., Electrical Safety & AEMs)
 - Identify and replace non-value added activities; Quality + Safety = VALUE
 - Discuss ideas on how to THRIVE in the days ahead
- ◆ **PARTNER** up, collaboration critical for success
 - Gather ideas for proactively “future proofing HTM”
 - Identify ways to navigate today's challenging healthcare landscape
- ◆ **SEEK** opportunities for improvement, they're everywhere
 - Take home ideas WE can use immediately to be part of the solution
- ◆ **CONTRIBUTE** and be part of the solution
 - Share resources & best practices to benefit community, organization & HTM!
